## *Your Selectmen's Narrative Report*

### A United Bradford

We, the SELECTMEN of YOUR TOWN, are just what the name implies - three men "selected" by YOU, the citizens of Bradford, to represent you and to carry on the business necessary to the management of YOUR TOWN. By "selecting" us, you have placed your faith in our ability and integrity to manage YOUR TOWN. I think you will all agree that the salary offered for this position of trust is far from attractive, and to accept the position, one must have only the good of his town in view.

We have tried to carry out your wishes to the best of our ability, to take care of the everyday affairs, and to vision ahead for the building of a better Bradford. But, as the old saying goes, "a chain is no stronger than it's weakest link" and we are only as strong as the united citizens standing behind us. As your "selected men" we have tried very hard to keep expenses within the appropriations. You will find a few that have gone over, but some expenditures cannot be foreseen. We are only human, and as such we make mistakes. If you feel that we are wrong in our judgment, please come and talk it over with us, - not with your neighbor!

We have, during 1953, tried to carry out your wishes as indicated to us during the last Town Meeting. The town has built a short stretch of road from the Breezy Hill Road to the new mill. This new industry should bring employment into our town, and increase property values. We have oiled the surface of Sweet's Hill, put in a short stretch of road on the east side of Lake Massasecum, which should open up new building lots in in this area. Gulf Hill has been surfaced and is ready for tarring. The roads in general are in good condition. A new Ford truck was purchased and the old one traded in, giving us now two good trucks with no anticipated major expenditures for repairs in the near future. The final note on the School building has been retired this past year.

We still hope to have the guide signs posted wherever necessary, also several bridges badly in need of repair will have to be fixed. But since no major expenditure for this coming year is anticipated, we hope to see our budget figures lower, as well as our tax rate.

We wish to extend our sincere thanks to all town officers, and to all who have assisted us with their cooperation.

This is your Selectmen's narrative - - - read it slowly, and give it some consideration. Thank you.

## *Annual Report of Planning Board*

The Bradford Planning Board held six meetings during the year subsequent to the 1953 Town Meeting. Four of those meetings were public meetings at three of which questions referred to the Planning Board by the 1953 Town Meeting were heard and discussed. The following constitutes recommendations of the Planning Board with respect to the three problems referred to it by the 1953 Town Meeting.

1. **Tarring of Breezy Hill Road.** After public hearing at which several taxpayers stated their positions and the technical assistance and advice of the Road Agent was given; the Board came to the conclusion that it is not feasible to tar this road until the road base is rebuilt; that rebuilding the road base properly for tarring is too costly an operation without having TRA monies available to pay part of that cost. The Town's TRA money presently is committed to completion of the East Washington road. Your Planning Board recommends that where Town road money and TRA money is used to rebuild roads, that the section of the roads rebuilt should be tarred in the same year in which graveled rather than permitting the roads to remain untarred after the expenditure for gravel has been made, since otherwise the gravel expenses are largely dissipated and the base has to be rebuilt a second time before tar is applied. Your Planning Board suggests that the appropriation for highways should contain an allowance for the tarring of Breezy Hill Road as far as the entrance to Kearsarge Reel Corporation plant should such tarring seem necessary after the 1954 mud season in the opinion of the Road Agent. It is further recommended that in each year's appropriation for roads, there be some overlay added for continuing work on Non-TRA sections so that eventually the roads in year-round use may all be permanently surfaced.

2. **Fire protection Water Holes.** The Planning Board held a public hearing to consider the situation existing at the water hole at the eastern end of Bradford Village, at which the property owner concerned and the Chief of the Fire Department were the principal witnesses. In connection with this fire hole, the Plan-

ning Board also investigated and considered the conditions existing at all of the seven water holes presently maintained by the Town.

Your Planning Board recommended immediately after that hearing that the Selectmen endeavor to get the State Highway to by-pass the water hole at the eastern end of the Village to avoid the problem of that hole filling with silt from the State Highway ditches. That improvement was accomplished as a result of the efforts of the Selectmen and the cooperation of the Highway Department. The Fire Chief represented that he would arrange to have the water pipe from the watering trough at the corner re-established to run into the water hole to keep a continuous flow of water running in. This pipe is from time to time plugged by children dropping stones into the opened end of the pipe at the watering trough. When this water line is re-opened, your Planning Board believes that this water hole will provide satisfactory fire protection and remain free from silt with ordinary maintenance.

Your Planning Board has recommended to the Selectmen and recommends to the Town Meeting that not less than Seven Hundred Dollars (\$700.00) should be appropriated in 1954 for the cleaning in 1954 of all seven of the Town's water holes and the repair and improvement of fencing the same. Your Planning Board further recommends that at least One Hundred Dollars (\$100.00) a year should be appropriated in each year thereafter to continue to maintain these water holes on the assumption that if one water hole is completely cleaned and repaired in each year, all will remain in satisfactory condition.

**3. Town Hall Rentals.** Your Planning Board held a public meeting with respect to this problem and heard the various complaints and discussions of interested people.

The present Town Hall rental policy is that no rental at all is required of organizations within the Town who desire to use the facilities without expectation of profit. Where organizations desire to use the Town Hall for profit (except Youth Organizations which seek profit for their own organizations), a charge of Five Dollars (\$5.00) per evening is required in the summer time and a charge of Seven Dollars and Fifty Cents (\$7.50)

during the heating season. Your Planning Board does not recommend any change in that basic policy, even though it is apparent that the cost of maintaining the Town Hall is not recovered through these charges. Your Planning Board feels that the Town Hall is not maintained for profit but is an asset to the Town generally through being available for civic and entertainment purposes. It is the conclusion of your Board that the more the Town Hall is used, the more benefit the Town generally will receive from it, without regard to the cost of the Town Hall itself.

There is one item in connection with the Town Hall rental which the Planning Board suggests should be clarified by the Selectmen to whatever individuals or organizations desire to use the Town Hall, whether free of charge or for rent, and that is the matter of janitor services. The Town does not intend, and should not be expected to supply general janitor services in connection with rentals. The janitor services which are supplied should be understood to be limited to cleaning before and after use, opening and closing the Hall, and heating when heating is involved, and nothing more. Your Planning Board recommends that the Selectmen be instructed to advise all parties using the Town Hall that if they desire additional services from the janitor they should arrange to have the janitor either donate them free to the organization or render them for such compensation as appears reasonable. If this situation were understood, your Planning Board believes little complaint about the renting policy would remain.

A further activity of your Planning Board in 1953 was the preparation and mailing of 211 letters to the summer residents of the Town, reporting to them the essential fiscal information concerning Town affairs in the previous year. This was done with the approval and cooperation of the Selectmen and at a minor expense. The number and extent of favorable comments from the summer residents with respect to this report seems to indicate that it may be desirable practice to be continued in the future, since many of these people may not receive other or more adequate reports concerning Town affairs.

Several other matters of general interest were inform-

ally discussed and considered by the Planning Board at various times during the year. With respect to one of these, your Planning Board has made a specific recommendation to the Selectmen and would recommend the same to the Town Meeting; namely, the interior of the Town Hall upstairs is in serious need of renovation, and your Planning Board recommends strongly that monies be appropriated in 1954 to permit the refinishing of the floors and the ceilings and the painting of the walls. Your Planning Board also feels that the seats in the Town Hall should be repaired and refinished, if possible, within whatever appropriation the Town sees fit to make. In this connection the Town also should replace the chairs in the Selectmen's office and the chairs which are used for Town Officers in the upstairs sections of the Town Hall at elections and for Town Meeting purposes.

Your Planning Board also feels, particularly since the Selectmen have seen fit to have property in the Town revalued by outside sources, that the individual assessments of property within the Town should be printed regularly in Town Reports for the information of the taxpayers.

There are two other road problems which your Planning Board recognizes are possible major problems for the Town of Bradford within the immediate future and before 1960; namely, the relocations of the main highway from Warner to Newport, in which it is presently suggested that the entire main street of Bradford will be by-passed, and the proposed relocation of Route 114 from the Tappen Bridge area to the Warner line, south of Massassecum Lake. Where this latter highway relocation will be made is presently unknown, but your Planning Board suggests that the interest of the Town will best be served by the Town insisting that an adequate relocation be made that will not injure property values at Massassecum Lake, but that the relocation be made in such a manner as to open up additional property which could then be used for building additional summer residences in this area. With respect to the relocation of Route 103, your Planning Board is of the opinion that residents of the Town do not appreciate the serious effects that a relocation by-passing the main street might have upon the economy of the Town and its ability to continue as a Town if commercial establishments were unable to continue after State Highway traffic were diverted. These problems, it seems to your Planning

Board, deserve immediate attention, not only by the Planning Board, but by other responsible officers of the Town.

In conclusion, your Planning Board wishes at this time to express its appreciation for the cooperation of the Board of Selectmen, the Road Agent, the Chief of the Fire Department, and other interested residents in the matters submitted to and considered by the Board during 1953.

Respectfully submitted,

STANLEY M. BROWN, Chairman  
SYDNEY RAND  
LEON VARNUM  
BERNARD WOODS  
ROBERT MESSER  
ROBERT MOORE

## *Town Warrant*

---

*To the Inhabitants of the Town of Bradford, N. H. in the County of Merrimack in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at the Town Hall in said Bradford on Tuesday, the ninth of March next, at nine of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray expenses for the ensuing year and to make appropriations for same.  
  
(The raising of money and other articles in the Warrant to be taken up at 1:00 o'clock in the afternoon.)
3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
4. To see if the Town will vote to raise and appropriate the sum of \$676.52 for Town Road Aid. The State will furnish the sum of \$4, 510.16 .

5. To see if the Town will vote to raise and appropriate the sum of \$35.00 for the observance of Memorial Day.

6. To see if the Town will vote to raise and appropriate the sum of \$400.00 for Pine Blister Rust. (*Required by Law.*)

7. To see if the Town will vote to raise and appropriate the sum of \$350.00 for Hospitals; Concord Hospital to receive the sum of \$150.00 and New London Hospital to get \$200.00.

8. To see if the Town will vote to raise and appropriate the sum of \$50.00 for the American Red Cross. (*Permitted by Law*)

9. To see if the Town will vote to raise and appropriate the sum of \$500.00 to oil the road on Breezy Hill. (*R.F.D. route*)

10. To see if the Town will vote to rescind the vote of 1946 creating the Brown-Shattuck Memorial Park Recreation Commission and place the Park under the supervision of the Board of Selectmen.

11. To see if the Town will vote to raise and appropriate the sum of \$200.00 each year to set up a reserve fund to pay for Forest Fires in case of emergencies.

12. To see if the Town will vote to raise and appropriate the sum of \$600.00 for care of Dump. (*Caretaker, etc.*)

13. To see if the Town will vote to raise and appropriate the sum not to exceed \$7,000.00 to build three permanent bridges (Bradford Center Bridge, West Bridge, and Moon Bridge, all on R. F. D. and school bus routes). The cost to be amortized over a seven-year period.

14. To see if the Town will vote to accept the road as laid out and improved on the East side of Massasecum Lake.

15. To see if the Town will vote to raise and appropriate the sum of \$700.00 to clean out waterholes and repair fences around same. (Heath, Marshall, Frey, Seavey, Gage, Center, and Stevens waterholes.)

16. To see if the Town will vote to accept the sum of \$100.00 from the Addie A. Cheney Estate, Bradford, New Hampshire, for the perpetual care of a grave in Pleasant Hill Cemetery.

17. To see if the Town will vote to set the salary of the Trustee of Trust Funds Bookkeeper at \$50.00 and raise and appropriate the same.

18. To see if the Town will vote to adopt the Non-Partisan Ballot, rescinding the vote of the Town in 1932 adopting the Australian Ballot for Town meetings. (*Chapter 22, Session 1943*)

19. To see if the Town will vote to instruct the Selectmen to print the complete tax inventories (*as required under Chapter 77, section 5*) Said complete copies of records prepared by them shall be printed at same time tax warrant is given to Tax Collector in 1954 and every three years thereafter, raising and appropriating \$175.00 for same.

20. To see if the Town will authorize the Selectmen to complete the reappraising of the taxable property with the assistance of the State Tax Commission, and take any further action in regard to reappraising the taxable property the Town may see fit. (*Action on this article to be taken by secret ballot.*)

21. To see if the Town will vote to adopt a plan for extending to the employees of the Town the benefits of title 2 of the Federal Social Security Act (*Old-Age and Survivor's Insurance*) as authorized by Chapter 234 of the Laws of 1951 and to raise and appropriate the sum of \$150.00 to defray the Town's share of the cost thereof.

22. If the foregoing article is adopted, to see if the Town will authorize the Selectmen to execute on behalf of the Town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the Town will designate the Town Selectmen as the officer to be responsible for the administration of the plan.

23. To hear reports of committees and act thereon.

24. To transact any other business that may legally come before this meeting.

25. To see if the Town will accept the reports of the Town Officers.

Given under our hands and seal this 15th day of February  
in the year of our Lord nineteen hundred and fifty-four.

Dana C. Sanborn  
Reuben S. Moore  
Bernard M. Woods

## People Play a Vital Part in Our Forest Fire Problem

A review of the 1953 fire season proves the vital part people play in the never ending battle to prevent forest fires.

In this fire district there were 133 fires in 26 of the district's 30 towns; 409 acres were burned over and it cost \$9,499.97 to extinguish them. This figure was reduced somewhat through payment of fire costs by persons responsible for illegal fires, fires which escaped from control and fires caused by their carelessness. Costs were abnormally high this year due to protracted periods of dry weather which increased the difficulty of extinguishing fires.

Eighty-eight percent of the 133 fires were man-caused and could have been prevented. They tell a story which needs to be carefully studied. Some people were careless in disposing of smoking material and camp fires; others burned without the required warden permit - disregarding weather, forest conditions and the normal safeguards recognized and considered by the warden in issuing permits. Other fires resulted from children playing with matches, carelessly handled fireworks, faulty railroad and truck equipment, etc.

These fires cost a lot to extinguish, most of which could have been avoided - this effects taxes; local business was interrupted by men leaving their jobs to extinguish the fires; trees that might otherwise have built houses, repaired bridges and supplied raw materials for local industries were destroyed; seedling growth - the future timber crop was wiped out.

This picture can, however, be reversed if people who offend could be impressed with the importance of observing the simple but essential common sense safeguards that will prevent forest fires. They are:

1. Care in disposing of lighted cigars, cigarettes and matches in and near woodlands.
2. Care in selecting camp fire sites and completely extinguishing them.
3. Consultation with the local forest fire warden before burning to secure the required permit.

 *People play a vital part in our forest fire problem.* 

**It is Everyone's job to Help Prevent Forest Fires !**

Total Payments	972.88
Balance on hand December 31, 1953	<hr/> \$ 249.32

KATHERINE D. SMITH

*Treasurer*

The Trustees of the Brown Memorial Library are pleased to announce that 1953 was an active year at the Library. Mrs. Effie Craigie, Librarian, reports a circulation of 5, 044 books and 644 magazines.

During the year the Library was enriched by gifts of new and used books by interested friends. Due to the rising cost of publications, these contributions were more than welcome. An earnest effort is being made to enlarge the classic and reference sections of the Library. Donations from townspeople and summer residents will be more than welcome.

The State Library selected Bradford as a meeting place for District Librarians in November. Twenty-five library workers and trustees participated in a round-table discussion, followed by reviews of new books with appropriate displays. At this time the Trustees and the Librarian extend to all residents a cordial invitation to visit and use the excellent facilities of the Library. Our wish is to serve you and your reading interests. Mrs. Craigie will gladly order any requested book not on our shelves, from the State Library. The Trustees will welcome your suggestions for improvements of Library service. Bradford is considered to have one of the finest town libraries in the State, and it is our sincere wish to maintain that standing.

Katherine D. Smith  
Maxine B. Hammond  
Louise C. Wolfe  
*Trustees*

Mr. Arthur Goodfriend  
Mr. and Mrs. Harrison Evans

## *School Warrant*

---

*To the Inhabitants of the School district in the town of Bradford qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said district on the fifth day of March 1954, at 8:00 o'clock in the evening to set upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
6. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
7. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
8. To see if the district will vote to rescind the motions passed at the Annual Meeting of March 10, 1950, namely: the School Board to present to the selectmen and they to print in the annual report, a detailed statement of receipts and payments of all moneys of the School District, similar to reports previous to July 1, 1948.

9. To transact any other business that may legally come before said meeting.

Given under our hands at said Bradford this 12th day of February 1954

William Hall

Arthur Russell  
Stanley Wheeler  
Beverly Whitehouse

Walter Ingalls

### PERFECT ATTENDANCE

for one year

George Rowell

Robert Moore

Superintendent's Salary  
1952-1953

Bradford School District	\$ 323.70
Henniker School District	685.68
Hopkinton School District	889.77
Newbury School District	285.50
Sutton School District	280.95
Warner School District	647.05
Webster School District	187.35
	<hr/>
	\$ 3,300.00
State Share	<hr/> 2,275.00
Total	\$ 5,575.00

We had two changes in our faculty at the beginning of the year. Mr. Clarence Wadleigh, a graduate of the University of New Hampshire, has replaced Mr. David Sayward in the upper grades room. Mr. Wadleigh is a beginning teacher and has made very good progress to date. Miss Juanita Parsons replaced Miss Ethelyn Rollins in the middle grades room. Miss Parsons is an experienced and capable teacher and we are most fortunate to have her. All in all I would say we have as strong a staff as last year which I consider very good.

The elementary enrollment figures in Bradford are running about the same. The census figures indicate a decrease in enrollment which is contrary to the national trend and to what is happening to the towns in the Union which border on Concord. The present third grade is an exceptionally large group, numbering seventeen. Whichever grade they are in makes a good sized group of children and, if they continue on in Bradford, it is going to mean a sharp increase in the cost of tuition.

Even in the next few years tuition costs are going up. In June, two youngsters will graduate from high school and five from grade school. The next year, three will graduate from high school and thirteen from grade school, a big jump. The average cost of high school education goes up every year in the state and receiving high schools have raised their tuition figures so as to meet the increasing costs.

The teacher supply is not improving a bit and last spring was the worst one I've had in getting teachers. Rising enrollment

figures in the state and nation means additional teachers needed. Hopkinton, for example, has four more teachers than four years ago and it looks as though in the next five years, they will have to add several more.

Bradford has been operating a good school, but no matter how good a school we have, I feel that it is my job to see if we cannot improve over the previous year. It is a challenge for all of us; we must either go ahead or backwards. Bradford is still going ahead, and the Bradford people are good people with whom to work.

William C. Sterling  
*Superintendent of Schools*

## SUPERVISORY UNION NO. 26

Tentative

*School Calendar*

1954 - 1955

BRADFORD  
NEWBURYHENNIKER  
SUTTON      WARNERHOPKINTON  
WEBSTER

Schools open Wednesday, September 8, 1954

Teachers' Convention - Thursday and Friday, Oct. 14 &amp; 15, 1954

Thanksgiving Vacation - Schools close Wednesday, Nov. 24 at 12:15

Schools reopen Monday, November 29, 1954

Christmas Vacation - Schools close Wednesday, Dec. 23, 1954

Schools reopen Monday, January 3, 1955

Winter vacation - Schools close Friday, February 18, 1955

Schools reopen Monday, February 28, 1955

Spring vacation - Schools close Friday, April 22, 1955

Schools reopen Monday, May 2, 1955

Schools close Friday, June 7, 1955

This Vacation Calendar includes in Vacation Periods:

Labor Day, September 6, 1954

Thanksgiving, November 25, 1954
